

## **OCTOBER NEWSLETTER**

The children are really starting to settle in and learning our new classroom routine. I appreciate all the help in September, I couldn't get through a class without my wonderful parent helpers! Just a reminder to sign up for parent helper through the Facebook Page or by contacting Jenna if you haven't already done so.

Please remember to send weather appropriate clothing as we do go outside regularly, and some days are getting chilly in the mornings! We will continue to go outside first thing in the mornings for the rest of the year unless the weather doesn't cooperate or there are different activities planned. I will let you know through the WhatsApp group, so I encourage you to join that if you haven't had a chance to yet.

### **IMPORTANT DATES:**

**October 11<sup>th</sup> – PD Day-No school for students**

**October 14<sup>th</sup> – Thanksgiving Day, no classes**

**October 17<sup>th</sup> and October 18<sup>th</sup> – Field Trip to Dutch Growers Pumpkin Maze**

We will be taking a bus from the school. \*Please note the different times for this trip compared to regular class times\*

Drop off at the school – 9:50am

Pick Up at the school – 12:10pm

Please pack a small, manageable snack and a water bottle. Also, it tends to be a little cooler in the maze area, so depending on the temperature the day of the field trip, please pack along toques, mittens and a warmer jacket just in case.

**October 23<sup>rd</sup> and October 24<sup>th</sup> – Show and Tell**

**October 25<sup>th</sup> – No School for Students**

**October 30<sup>th</sup> and October 31<sup>st</sup> - Halloween Party**

Children are welcome to dress up for the party (I will be!). I will be posted a snack sign up for the party this year! There will be 3 spots to sign up if you would like to bring something for that day! I will provide drinks, but also feel free to send a water bottle if you would like. If you are not sure if your child will eat the shared snack, feel free to send a snack from home. I would also like to have 2 parent helpers if possible for the parties as it makes it much easier to play games that I have planned and have fun (although this might not work for the TTH Class)!

Family is welcome for the party as well, so if you would like to stay with younger siblings, you are more than welcome!
